

## **Public Notice – Environmental Permit**

**PURPOSE OF NOTICE:** To seek public comment on a tentative variance to allow a change in reporting groundwater monitoring results at solid waste landfills with permits from the Department of Environmental Quality.

**PUBLIC COMMENT PERIOD:** May 7, 2013 to June 6, 2013

**PERMIT NAME:** US Navy Naval Air Station- Oceana, D Avenue Landfill (Permit Number 278)

**FACILITY NAME AND LOCATION:** US Navy Naval Air Station- Oceana, D Avenue Landfill South of the intersection of D Avenue and 8<sup>th</sup> Street within Naval Air Station Oceana, Virginia Beach, VA 23460

**VARIANCE DESCRIPTION:** The landfill owner/operator has asked that the requirement to report groundwater monitoring results on a semi-annual or quarterly basis be replaced with a requirement to report the calendar year's sampling data on an annual basis. In an effort to reduce reporting redundancy and its related cost burden on the owner/operator while still remaining protective of human health and the environment through requiring sampling data be reported annually, the DEQ has tentatively decided to grant this request.

**HOW TO COMMENT:** DEQ accepts comments on this proposed decision by e-mail, fax or postal mail. All comments must include the name, address and telephone number of the person commenting and be received by DEQ within the 30-day comment period. The public may review the variance document at the DEQ offices named below.
